

List of Volkswagen Group factories

Da Wikipedia.

This **list of Volkswagen Group factories** details the current^[1] and former manufacturing facilities operated by the automotive concern Volkswagen Group, and its subsidiaries. These include its mainstream marques of Volkswagen Passenger Cars,^[2] Audi,^{[3][4]} SEAT,^[5] Škoda^{[6][7]} and Volkswagen Commercial Vehicles, along with their premium marques of Lamborghini, Bentley, and Bugatti, and also includes plants of their major controlling interest in the Swedish truck-maker Scania.^[8]

The German Volkswagen Group is the third largest automaker in the world,^[9] and the largest in Europe. As of February 2010, it has 61 production plants^[1] and factories in fifteen European countries,^[1] along with six countries in the Americas, Asia, and Africa.^[1] The Group employs nearly 370,000 people around the world,^[1] who produce a daily output of over 26,600 motor vehicles,^[1] and related major components,^[1] for sale in over 150 countries across the globe.^[1]

Factories

This transport-related list is incomplete; you can help by expanding it ([//en.wikipedia.org/w/index.php?title=List_of_Volkswagen_Group_factories&action=edit](http://en.wikipedia.org/w/index.php?title=List_of_Volkswagen_Group_factories&action=edit)) .

Notes: In the second column of the table:- the 'factory VIN ID code',^[10] this is indicated in the 11th digit of the vehicles' 17 digit Vehicle Identification Number, and this factory code is only assigned to plants which produce actual completed vehicles. Component factories which do not produce complete vehicles do not have this factory ID code.

factory name	factory VIN ID code(s)	location (continent, country)	location (town / city, state / region)	current motor vehicle production	former motor vehicle production	automotive products & components	year opened	year closed	number of employees	comments	factory coordinates
