

Riepilogo Colori FORD 1999 - 2011

La semplicità della perfezione

FORD

POSIZIONAMENTO TARGHETTA:

interno vano motore, battuta porta lato guida o battuta porta lato passeggero

A diagram of a Ford car chassis, viewed from the side. The chassis is composed of several rectangular blocks representing different parts. A black oval at the top left contains the word "ford". Below it, a vertical column of seven rectangular blocks is shown. The bottom-most block in this column is labeled "5.0" and is circled with a dotted line. A diagonal line extends from the "5.0" block towards the right side of the chassis, pointing to a specific component. The right side of the chassis consists of a large rectangular block at the top labeled "FORD", followed by a horizontal bar, another large rectangular block, and then a series of five horizontal bars stacked vertically. The entire chassis is shown within a rectangular frame.
