INFORMAZIONI GENERALI

All’inizio del catalogo due guide facilitano la ricerca dei prodotti:

La parte finale del catalogo ospita la sezione “Tavole di comparazione” ordinata per codice costruttore con il relativo codice Magneti Marelli.

GENERAL INFORMATION

At the beginning of the catalogue you will find two tables which will help you in finding the parts you require.

The first table is in product part number order. The second table is in catalogue part number order. The catalogue contains three sections: passenger car applications, light commercial/industrial applications and universal applications. Each section includes make and model information, listed in alphabetical order.

For each model the components are listed in the following order:

- headlamp
- front flasher
- rear lamp
- auxiliary lamp

The final section of the catalogue is dedicated to a buyers guide which contains O.E. cross reference to Magneti Marelli part numbers and is listed in manufacturer and O.E. reference sequence.
